**RE: SP-0061-2010, Busch Gardens 2011 Germany Attraction**

Dear Mr. Orsborne,

I am pleased to inform you that your site plan received final approval on September 14, 2010. Enclosed are two copies of the stamped final approval drawing for your files.

Final approval of the site plan shall expire five years after the date of approval. During that period all permits shall be obtained or the development shall be put into use. When the permits have been issued, the site plan approval shall run concurrently with the permits term of validity for only those uses and improvements covered by the permits. All work shall be completed in the manner and location indicated upon the approved plan. Modifications shall be approved in advance by the Zoning Administrator.

Please note that in accordance with conditions associated with HW-0002-2010, the Director of Planning must review and approve the paint colors of the attraction at points above 60 feet above grade prior to the issuance of a final certificate of occupancy. The color shall be muted and designed to minimize visual impacts.

Sincerely,

Christopher M. Johnson  
Principal Planner
